1953

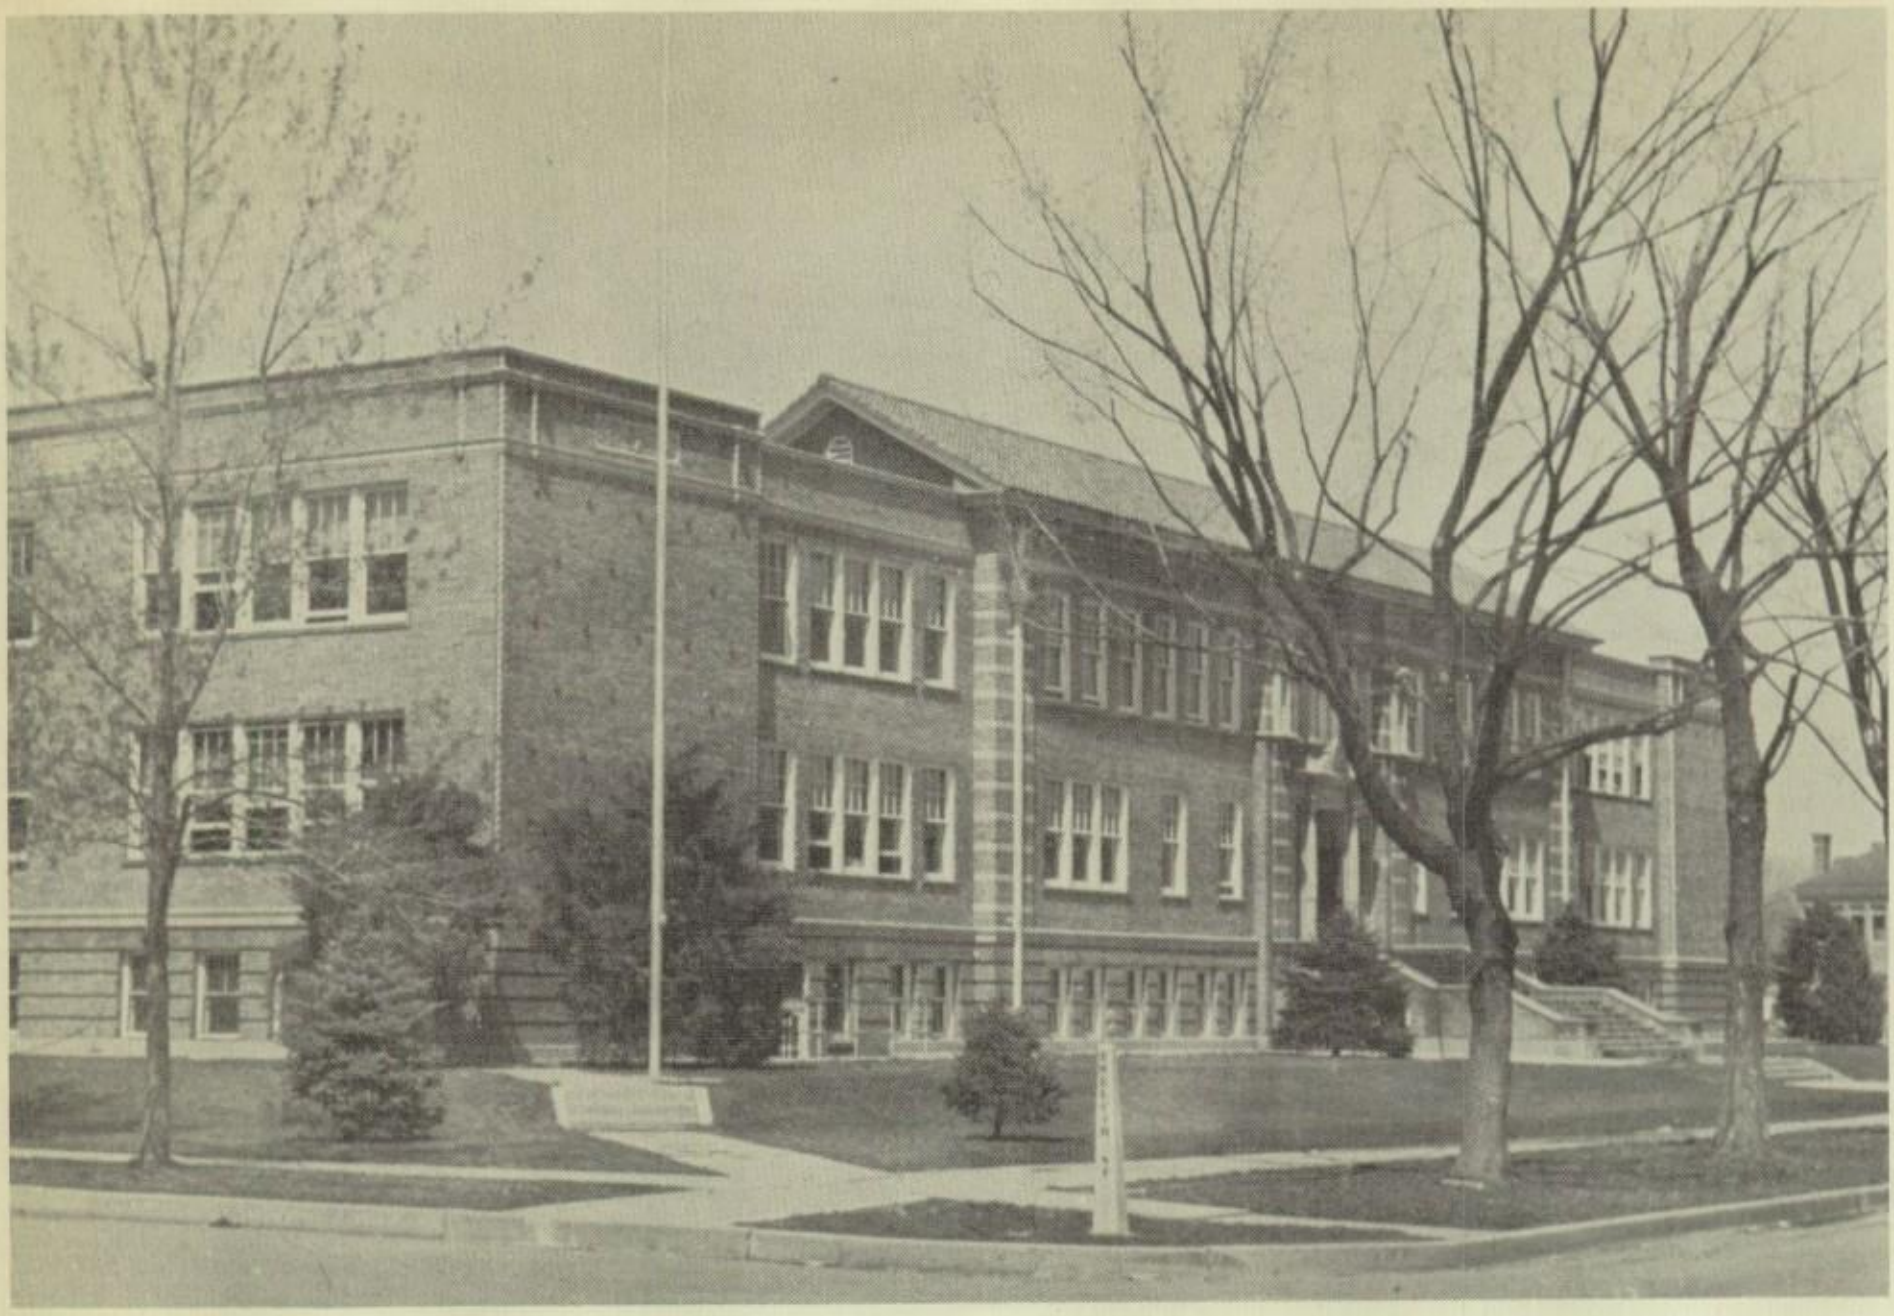
Canon City, Colorado



We, the class of 1953, dedicate this annual to the Spirit of the Philosophy found in Canon City High School.

Because of this philosophy, we have come to realize more fully the Democratic way of life and that we are heirs of a rich heritage. We have gained self-confidence and a feeling of security for the more serious years to come.

Through the course of study and the entire school environment, we have found an interest in learning and an appreciation of the beautiful, not only thru art and music, but through the practical arts, the extra curricular activities, and a worthwhile recreational program. We have been taught that we are to learn not because of the threat of punishment, but because it is the right thing to do.

"All young people are inherently good; they mean to be honest, friendly, and co-operative and they are willing, indeed prefer, to do the right thing if properly motivated." This pilosophy of the administration and faculty is felt and appreciated by the students.

With this guidance and an atmosphere of friendliness, school has been a happy experience that we will remember throughout life.

In Dedication

WINTER WONDERLAND

Activities

Good Luck
Melvin,

Mr. Bashford
Director

E. Bashford

Black and Gold instrumentalists hopped off to one of the band's most active and successful years, hustling through their first three public performances during the second week of school. One of these was in Boulder, for the tenth annual band festival, where they received excellent ratings for parading and maneuvering and were ranked among the top 13 bands of the 60 some groups participating.

The band's busy schedule included a performance-a-week during the Tiger grid-iron season with halftime shows ready for nearly every turf tussle. The band was introduced to the television world when cameramen ground film for the T.V. program, "See It Now" with Edward R. Murrow previous to President Harry S. Truman's campaign stop in Canon City in October. Along with the Abbey and Florence High School bands, Black and Gold tooters were on hand to serenade the President's arrival. Earl Bashford selected a 20-piece Dutch Band which has been in the Tiger Rooting section for most of the Bengal hardwood games. The band has played at pep rallies and many civic affairs.

Band Booster Day was proclaimed in December as a day to solicit funds. A parade and maneuvering routines in the business district spearheaded the campaign to raise funds through the sale of Band Booster decals. Cornetist Melvin Leonard was top salesman with 90 decals to his credit.

Tiger Tales was sponsored by the band alone this year. "It's a Grand Night for Singing" combined song, dance, and drama into one grand success. Lending a professional air to the musical was the use of the school dance band, the "Kevnotes", for an orchestral background-accompaniment to the show.

As representatives of the high school band's strongest players, ten musicians tried for chairs on the all-state honor band. Two, Leroy Anderson as second drummer and Elaine Lawrence as second part flute player made it.

The band scheduled their spring concert for April 17. Concert season was concluded with the band's participation in the Spring Music Festival in Pueblo on April 22.

Back to the drill field the musicians went to polish their strutting for Blossom Festival activities and to play host to visiting bands.

A band banquet was held at the close of the year for the purpose of awarding letters earned through a points system. Members accumulated points for practice, participation in band activities and performances.

Douglas Tureck was president of the band; Jack Coats, vice-president; and Elaine Lawrence, secretary. The band advisory committee included Bob Carmack, Leo Tuttle, Janet Burman, Harold Tuttle, Geraldine Taylor, Ted Hanford, and Leroy Anderson.

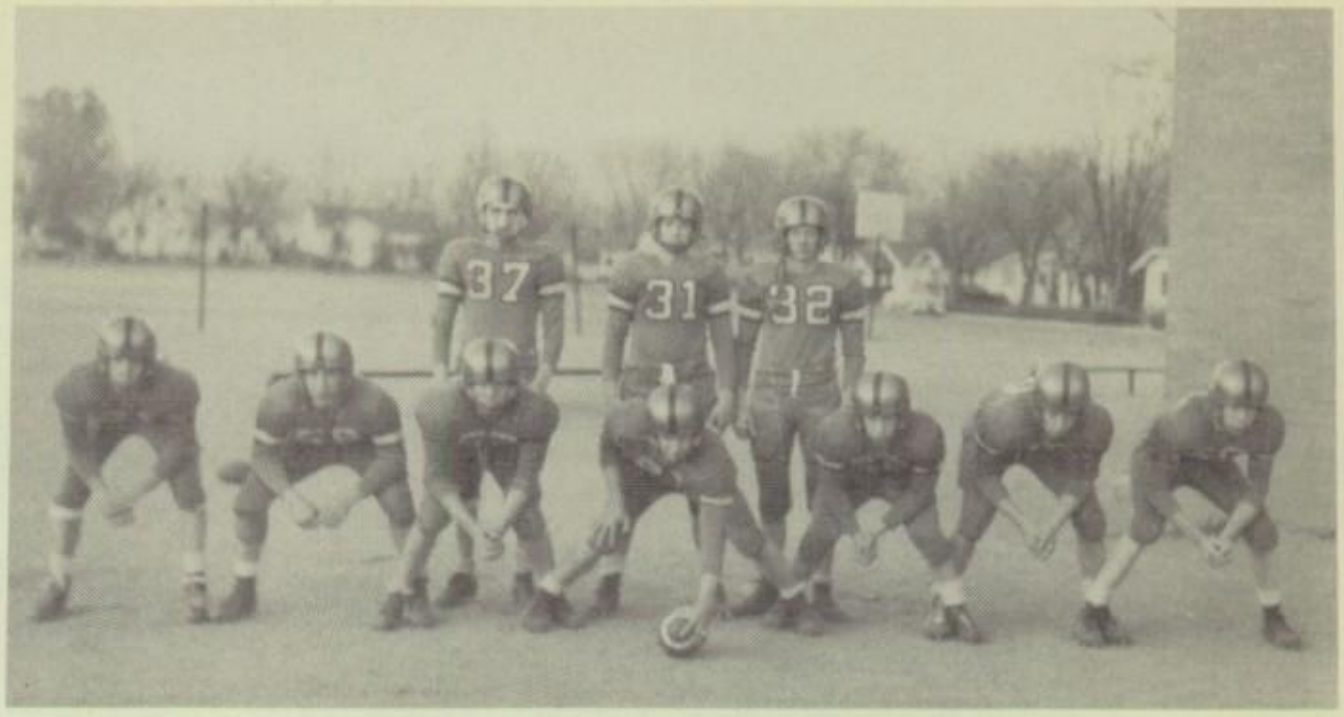
Bell



SENIOR PLAYERS
Garrett, Bethel, Wood, Plummer, Gentry, Osborne, Abbott, Howard, Tinsley, Bell

Nine seniors played their last game for C. C. H. S. in a thrilling victory over Florence. Charles Plummer and George Bethel were the team captains of the 1952 season. Plummer and Howard were all conference selections. Backs George Bethel, Virgil Garrett and Rod Wood will be missed for the coming season as will Lineman Plummer, Howard, Bell, Abbott, Gentry, and Tinsley. The outstanding all round player as voted by the squad was Rod Wood. The outstanding offensive and defensive players were lanky Charles Plummer and tiny John Howard.
